PRE-K PROGRAMMING EVALUATIONS 2008-2009:

RELATIONSHIP EMPOWERMENT for STUDENTS, PARENTS, EDUCATORS & COMMUNITY

This is what teachers from Head Start programs in southwest Iowa said in their evaluations of our preschool programming for this school year:

- 100% said the program was a “success” for their school.
- 100% said the staff interacted well with the audience & teachers.
- 100% said the message of the plays was strong and clear.
- 100% said the program engaged the audience.
- 100% said the audience was actively involved in the play.
- 98.8% said the staff was friendly and professional.
- 98.8% said the program was helpful to their students.
- 98.8% said the staff was knowledgeable about abusive behavior.
- 97.6% said the staff provided timely and clear info about the set up requirements.
- 96.6% said the discussion was useful in processing the message of the program.
- 90.6% said the resource packets/teacher handouts were useful.
- 87.6% said the student handouts were useful.
- 85% said the parent handouts were useful.
