

## COMMENTS FROM SCHOOLS 2003 - 2004

“Thank you for bringing R.E.S.P.E.C.T.<sup>2</sup> to Underwood. The topics addressed were just what we needed. We have seen a difference in our students’ behaviors – particularly the bystanders! Please pass on my appreciation for the actors and their very important work! It was a very helpful afternoon.

“Thank you for coming to Hartman to present the anti-bullying play SPELLING IT OUT. Unfortunately, we have some students at Hartman who engage in bullying behavior. The play was excellent. It was realistic and offered our students an opportunity to ask questions about what to do when bullying happens. Thank you for seeking out the funding that enabled your group to perform for our school community. Our staff was so impressed...Thank you again for coming to Hartman to help our students make better choices.”
